

PE Survey Analysis

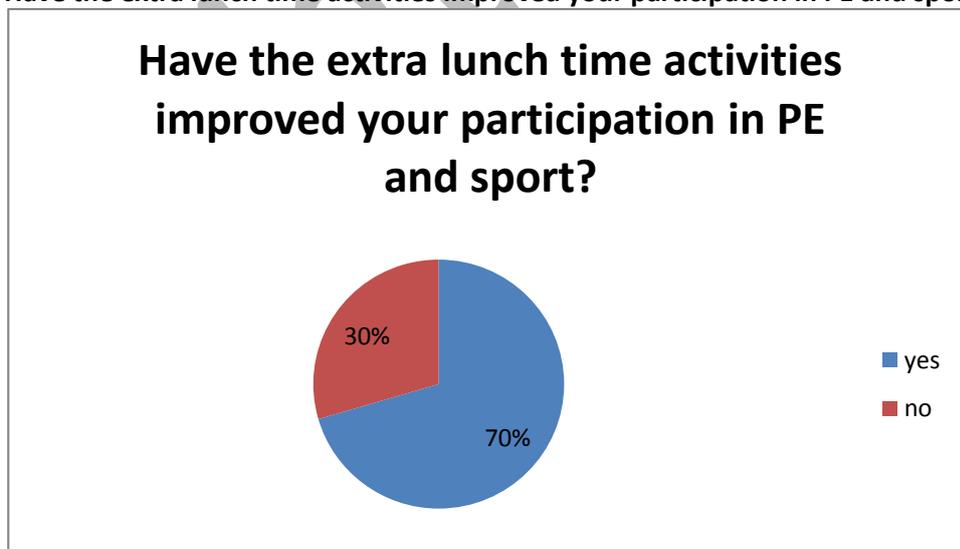

Children throughout Key Stage 2 answered questions about PE and school sport. The first survey highlighted a few problems with the survey; mainly the choice of wording and the language used in school. At Wigton Moor PE and Games are classed as two different subject, some children know this others class both PE and Games as the same subject. In addition some of the questions only required one answer but the question allow more than one response. In future surveys more responses would be required this survey shows a good sampling from Key Stage 2 pupils and is supported by a whole school response from all pupils.

How well do you enjoy PE in school?

Positive response to PE lessons at Wigton Moor. 98% of the pupils surveyed enjoyed PE. With 34% saying the lessons were “amazing”. Only 1 child rated their PE lessons as 1.

Have the extra lunch time activities improved your participation in PE and sport?

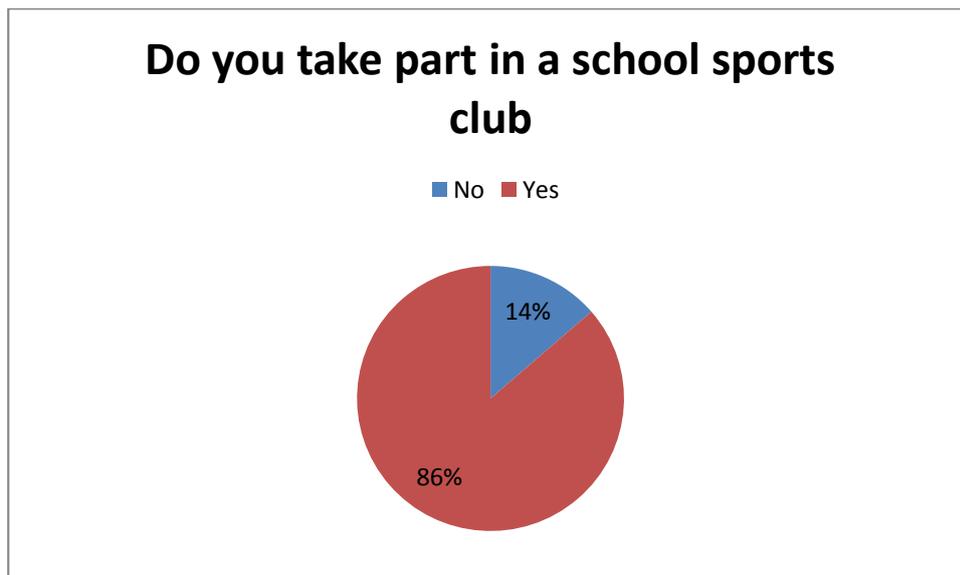

70% of pupils surveyed suggested that the extra lunch time sessions have helped. Every child in Key Stage 2 has the opportunity to participate in this and every child has taken part at least once (separate survey with all of key stage 2).

Do you agree that PE and school sports helps to keep you fit and healthy?

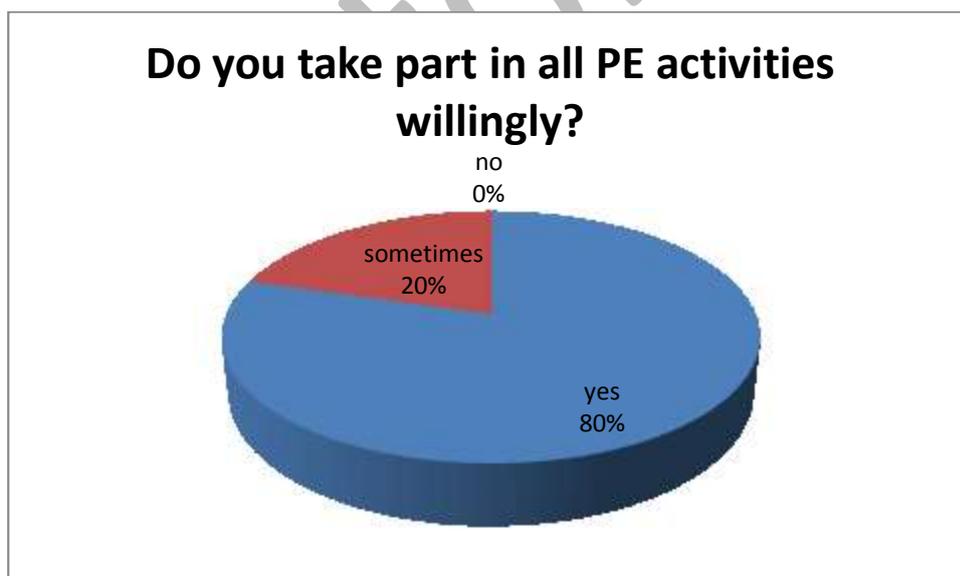

All pupils agreed to this.

Do you take part in a school sports club?

Again a large percentage of pupils participate in a sports club in school. Of those that said they didn't take part (5 pupils), 2 said their reason for not taking part was because of a lack of time, 1 said the activities didn't interest them (would rather badminton/ basketball), 1 because of SATs and 1 was concerned about people teasing them.

Do you take Part in all PE activities willingly get involved with others during games?

All children answered positively to this with no one saying no to this.

Overall, the results of the survey were very positive and show that pupils at Wigton Moor are positive about PE and school sports. Of the suggestions of how to improve PE at Wigton Moor the most popular responses were; more equipment, more netball, more PE lesson and more exercise.
